About The Wilson House

The Wilson House and nearby Griffith Library are the birthplace and childhood home of Bill Wilson, co-founder of Alcoholics Anonymous and author of the Twelve Steps. Since its beginning as a nonprofit organization in 1988, this special place has grown to be home for those in the fellowships of recovery. As Bill W. has had a profound impact on the lives of so many, The Wilson House seeks to carry on this work by offering a welcoming space for all to connect and nurture their journeys of recovery.

About the Golf Tournament

Please join us Wednesday, May 22nd, 2024 for a special day of golf to benefit The Wilson House. The 5th annual tournament will be held at The Dorset Field Club, a premier course opened in 1886, which is the oldest continuously operated golf course in the United States.

The day begins at 7:30 with registration and a continental breakfast. Shotgun start is at 8:30am, and the day rounds out with raffles, awards, and luncheon at the Club at 12:30pm.
